## Who are we?

The PTA are a small group of parent volunteer members, who meet once a month to discuss ways in which we can reach our fundraising targets set by the school. We have some huge projects each year that consistently do well and other smaller projects that we run on an ad hoc basis, but we can't do this without you.

## How can you get involved?

Joining the PTA or volunteering on individual event for 2 hours is a great way to to meet new people and find out what's happening around the school. If you would like to know more about either joining or volunteering a couple of hours a year, please do contact either the office or email

[stignatiuspta@gmail.com](mailto:stignatiuspta@gmail.com)

If you would rather make a one off donation than donate to each of these events - you are welcome to send money directly to our PTA account - 12-3027-0309773-00

# Financials

The reality of our current education system is that not all schools receive funding they need to be able to provide all of the educational requirements for our children. This often means that there are short falls in the budget for teacher aids, essential learning tools and upgrades to facilities.

Our PTA **HAVE** to fundraise in order to ensure that these important resources can be funded. The money raised goes towards the BOT & this then enables the BOT to employ extra 'people resource' i.e. Learning Assistants & extra teaching hours.

We have a budge to reach of \$55k this year – please help us get there.
